

# Welcome Back

## Mr. Gushulak's Grade 7/8 Class

Welcome back to another school year! I look forward to teaching this class again, and for a couple lucky students, for the third year in a row. This year will be similar to last year, as most classes at Crossroads will be split grades. The Grade 7/8 class will consist of 26 Grade Eights, and 3 Grade Seven students.

### Team Teaching

Again this year I will be team teaching with the Grade 6/7 teacher, Ms. Kroocmo. I will be teaching the Grade 7/8 class Math, Language, History, Geography, and Phys. Ed. Ms. Kroocmo will be teaching Science, Art, Music, and Drama.

Mrs. Councillor will be teaching French this year and Ms. Cutfeet will be the Ojibwe teacher.
